Keep West Parley Green

Write to Policy Planning, FREEPOST BH 575, Christchurch Borough Council Bridge St, Christchurch BH23 1BR. Do it before 22 June 2012 and let them know why you don’t want over 500 cramped houses on green belt, more congestion, more urban sprawl, more anti social behaviour, our heritage trashed, village identity corroded, good farm/food land destroyed etc...

We Have!
