6. Our floral display is almost complete for the summer. We now have floral arrangements at Parley Cross (troughs and hanging baskets), Glenmoor Road shops, New Rd opposite the Porsche Showroom, around the new gazebo on the recreation ground and Parley Sports Club have created new flower borders around their building.

We would be grateful if residents would kindly keep an eye open for any problems that arise in these areas.

7. Residents will notice that official notices have been erected in the children`s playground. These notices reflect our wish to provide a safe environment for our children to play. This means that we cannot allow dogs to foul the area or to risk having broken glass on the site to cause injury.

It is hoped that all residents will respect this action and let us know if any problem arises.
